

# 15 STORIES: DISCOVER THE REAL IMPACT BEHIND OUR WORK

These **15** pieces tell the stories of the people benefiting from our interventions. It features our support to education, health, domestic revenue, policy and community-driven projects across our partner states. The programme recognises that there are many other partners working in these sectors, these only document PERL's contribution to the improved service delivery within these sectors.

The Partnership to Engage, Reform and Learn (PERL) is a five-year public sector accountability and governance programme, funded by the UK's Foreign, Commonwealth & Development Office. The programme provides support to governments in the core areas of policy development and implementation towards delivering public goods and services; supports citizens to engage with these processes and facilitates evidence-based learning and advocacy.
